

2023 Outstanding Legislator Award Nominations Form

CCBE honors current California Senate and Assembly members who actively work to improve our public schools, support local county and school board governance, and exercise leadership in the legislative arena.

CCBE encourages county boards to participate in nominating a member of the California State Legislature, the California Congressional delegation, or federal/state elective or appointed office for CCBE’s 2022 Outstanding Legislator Awards program. The award is bestowed upon a member of the Senate or Assembly who has been actively involved in legislation or legislative activities supporting the work of county offices of education and their programs. Please be sure to include why your legislator is being recognized and share their story explaining how the work they are doing supports county offices of education and our student population and include photos or supporting articles and/or documentation and information about the problem and solution to the legislation they are supporting.

Nominations for the 2022 Outstanding Legislator Awards program must be received by CCBE by Friday, September 1, 2023, to be considered. Include a resolution or written explanation of why the nominated legislator should be honored. Your nomination must include as much specific information as possible and highlight legislation with a direct, beneficial effect on COEs and their students.

Please complete the nomination form and send the documents to CCBE via email at ccbe@csba.org or by mail at 3251 Beacon Boulevard West Sacramento, CA, 95691. Nominations must be received by CCBE no later than **5:00 pm on Friday, September 1, 2023**; nominations received after the deadline will not be considered.
