2. In the event your COE or CCBE is not able to pay travel expenses for you to attend required meetings and/or events, are you willing to pay your expenses to attend if necessary? Yes No

3. Being on the CCBE Executive Committee requires extraordinary amounts of dedication and time. Assuming you meet those two qualifications, please tell us why you want to be on the CCBE Executive Committee.

I am currently serving as the CCBE Vice- President of which is required to undertake many support roles for the organization such as Core Newsletter Editor, CCBE Annual Conference Co- Chair, monthly and weekend executive board meetings, etc of which I have successfully fulfilled as a team player. As a result of these duties, I am amply prepared to serve in the role of CCBE President- Elect knowing the unique dynamics of the board and time dedication to serving as an executive board member particularly in the area of support to the CCBE President and county offices across the state.

4. Please tell us about your experience as a county board member. Include years on the board, as well as leadership positions in other organizations, awards, honors, and outstanding accomplishments you achieved as a county board member.

I have served in numerous roles ranging from teacher, coach, athletic director, dean, assistant principal, principal, administrator of child welfare and attendance, current adjunct professor of educational administration and the culminating joy of being elected to the San Bernardino County Board of Education in which I have been serving as a member for the past four years and current board president

I was honored to served as board president for the 2017 calendar year and was re-nominated unanimously by my fellow board members during December 2017 to serve as board president. I have served/ continued to serve as a member of the California State School Attendance Review Board, executive board member, California Association of Supervisors of Child Welfare and Attendance, Association of California School Administrators Region 12 President and current executive board member of the San Bernardino County Gangs and Drugs Task Force.

As a county board member, I have conducted presentations across the state including the CCBE conference to county boards of education in the matter of interdistrict appeals, expulsion appeals and charter school appeals having current written training manuals across the state in the subject matters.

- 5. In the past, CCBE has been known for its active agenda and long-range goals. Please tell us about your vision for CCBE. Be sure to include a short and a long range vision; e.g., your vision for CCBE in one-year, three years, five years, and ten years.

CCBE has been an active support mechanism for small and large county boards of education across the state. I envision CCBE continuing in that role particularly due to the fact that attendance at the annual CCBE conference has significantly increased each year, a significant voice is currently being heard at the CSBA Legislative Policy Committee and CCBE partnership at the state level with CSBA. Current CCBE executive board members and delegates have committed to producing a "playbook" to assist county board members across the state in performance of their duties.

I envision the continual practice and assisting with the beginning governance and advanced governance training for county board members as well as working with the complex issues related to approval/non approval of countywide benefit charter schools and charter school appeals. In terms of a ten year plan, the education pendulum may shift. However, I envision the executive board maintaining a steady watch on the trends and being able to via collaboration with other organizations statewide to address the issues in a positive manner.

- 6. Should you be elected, please tell us about your goals for that office, and what you hope to accomplish during your tenure.
 1. Continual Support to the CCBE President
 2. Serve as co-chairperson for the annual CCBE conference
 3. Attend and fully participate in all executive board meetings, delgate assembly and CSBA functions
 4. Continue to fully develop and support a CCBE "playbook" for all county board members.
 5. Continue to promote CCBE throughout the state.
 6. Continue active and material participation with CSBA.
 7. Continual and improve collaboration between CCBE and other statewide educational organizations.
 8. Serve. Serve. Serve.
